Dear Valued Business Owner,

The Cache Valley Chamber of Commerce is excited to announce a new program that will have a significant impact on the promotion of the area. We are working in partnership with CGI Communications, Inc. on a digital marketing program to highlight all our community has to offer our residents, visitors, and businesses.

CGI is a leader in online marketing solutions; working with thousands of communities and businesses nationwide. Their innovative digital media tools provide communities and businesses with the opportunity to stand out from the crowd. In addition, CGI's ReviewTube division will provide a platform for the chamber and our members to enhance their online presence through video reviews.

CGI / ReviewTube will be contacting members of our local business community regarding participation in the program. We encourage you to consider supporting the program, and learning more about all that CGI has to offer.

Best Regards,

A handwritten signature in black ink that reads "Jamie Andrus". The signature is written in a cursive, flowing style.

Jamie Andrus, MSFR

CEO/ President
